

JO WESTWOOD

Independent Candidate for Mayor of Kingborough

Dear Resident,

Kingborough has an incredible lifestyle, a strong community and a unique natural environment.

As one of Tasmania's fastest-growing municipalities, we have exciting opportunities but also important challenges.

I'm Jo Westwood and I'm standing as an independent candidate for Mayor to ensure Kingborough continues to grow without losing what makes it such a special place to live.

As Mayor of Kingborough, my priorities are to:

- **Keep rates affordable.**
- **Simplify planning processes.**
- **Ensure infrastructure keeps pace with growth.**
- **Create more opportunities for young people.**
- **Connect Kingborough's network of tracks and trails**
- **Protect our waterways and beaches.**
- **Strengthen trust in Council.**

Good local government isn't about politics. It's about making sensible decisions, spending ratepayers' money wisely and delivering the services residents rely on.

I have qualifications in business economics and public sector leadership, am a graduate of the Australian Institute of Company Directors, and have held senior roles as an apolitical public servant and adviser to governments of both major political parties.

As Kingborough's Deputy Mayor from 2018 to 2022, I helped deliver things residents use every day including the Kingston Park playground, kerbside green waste collection, the Kingston CBD redevelopment and new public toilets. I championed a long-term financial plan linking rate increases to inflation because I believe good services should remain affordable.

After stepping away to raise my young family, I am ready to serve our community again. As a full-time Mayor, I will work hard and lead with integrity, transparency and accountability.

Please consider giving me your #1 vote,

Jo Westwood.
